**AFTER YOU RECEIVE YOUR ELECTRICAL PERMIT:**

- A copy of the permit and the completed ID tag are required to be posted at the service location for identification purposes.
- An inspection is required before the power connection can be made. Please refer to the permit number when scheduling inspections and during all correspondence. It is your responsibility, as the home owner, to schedule an appointment three (3) working days prior to an inspection when:
  - A. You are ready for power
  - B. The electrical rough-in is completed (before insulating or covering)
  - C. The electrical work is finished.
- The Electrical Inspector is authorized to inspect, reinspect or test any electrical installation coming under the provisions of this act (54-1004) Idaho Code. If, at any time, the Electrical Inspector finds that the work which has been completed does not meet applicable safety codes, you will be notified, in writing, of the corrections to be made and the specified time for completion. Once the corrections have been completed, please sign and return the Correction Notice to the Meridian office within the time specified.
- At the time of inspection, the Electrical Inspector will verify the fees that you have paid. If the fees are incorrect, you will receive written notification of additional fees due or refunds.

**IF ADDRESS OF LOCATION IS UNKNOWN, PLEASE DRAW A DETAILED MAP BELOW:**
